SHIRE**

Living Green in Corangamite Workshop

6 April - Timboon Rec Reserve
13 April - Derrinallum Community Hall
20 April - Terang Civic Centre
6:45pm-9pm. Light supper provided.

Presented by Peter Reefman from Energised Homes

Peter's expertise is sustainable healthy homes, and his goal is to do everything he can to contribute by building and promoting the concept of zero-carbon housing. He is committed to demonstrating the benefits of houses that can provide all of the energy and water that they require, and even run a surplus to share with others.

Living Green when Renting Workshop

18 May - Camperdown Killara Centre
6:45pm-9pm. Light supper provided.

Presented by Cate Lawrence from GreenRenters in Melbourne

Cate will take a room by room tour through the average rental property looking at simple and cost effective ideas that can be implemented in a short amount of time that will help make your property more energy efficient, sustainable and save you money.
